While he Sleeps.

Please no, not again.

He's done it AGAIN.

I grimace at my own reflection and curse my deep sleeping, before turning swift on my heels and storming from the bathroom.

"Kirk! Kirk, where the fuck are you?"

I hunt him down to the kitchen, where he is acting as though he didn't hear me, staring intently at a newspaper I know for a fact he has no interested in.

"What have I told you, huh?! It's not gunna happen! Cut. It. Out."

He eventually slumps and let's the newspaper drop to the table with a huff, doe eyes and a petted lip.

"But it really suits you babe!"

"I do NOT wanna wear eyeliner!"
